### 6. Renting Bitterwasser Gliders

Bitterwasser offers 2 gliders immatriculated in Namibia which can be chartered all year:  
**Twin Astir (V5-GSH), DG 500M (V5-GBK) ASH 25M (V5-GAZ), DG800B (D-KTBB)**

#### 6.1. Pilot Requirements

Valid license of your country of residence, validated in Namibia, valid JAR medical, current training for the intended takeoff method (Aerotow or motor glider). On the first day, an **instructional flight** is required.

#### 6.2. Other Requirements

Non-use caused by weather or personal reasons will not be refunded. Upon take over and return of the aircraft, aircraft is to be inspected by both Bitterwasser and the customer. Problems and issues are documented. A deposit has to be secured either as a cheque, per credit card (Visa, Master Card) or per Maestro Card (Bankomat card).

### 7. Using Private Gliders

Chartering private gliders is a transaction between the owners and the renter. Bitterwasser offers to arrange contacts, but has no stake in the transaction. Bitterwasser thus disclaims all liability or warranty.

For these private gliders, a daily forfeit (**just flying days**) is charged. All pilots and passengers of gliders flying out of Bitterwasser have to be members of Bitterwasser International Flying Club (**BIFC**) for legal reasons.
